

The Women of Providence in Collaboration are excited to present their new book, Providence Alive in Us: Ever Unfolding Mystery. This book is designed to promote and broaden the understanding of Providence theology and spirituality and how, over the years, it has affected our lives. The authors, some of whom are previous contributors to other Providence published books, will lead us in this search for still deeper engagement with Ever Unfolding Mystery.

The authors of this book are Providence women from five of the thirteen member congregations of the Women of Providence in Collaboration. Marie McCarthy, SP and Anji Fan, SP are from the St. Mary-of-the-Woods group in Terre Haute, IN. Ruth McGoldrick, SP is from the Sisters of Providence in Holyoke, MA. Michele Bisbey and Myra Rodgers are both CDPs from the Allison Park, PA Sisters of Divine Providence. Alba Letelier, SP, Hong Nga Nguyen, SP and Annette Suebert, SP all belong to the Sisters of Providence who began in Montreal, Quebec, Canada and spread throughout the United States.

New contributors, as well as four reflections devoted to intercultural voices and experiences, also take us inside ourselves to probe deeper meanings of abundance, expansion of partnership with God in the very action of transforming our world, and the challenges of being the face of Providence within a different culture and in different settings. Truly this work will provide much food for thought as to how each of us lives the charism of Providence in the world today.
