

# Providence & Compassion

Within this new and inspiring publication, nine Women of Providence share their understanding of Providence and Compassion through the lens of their lived experience in ministry and community life. These shared personal reflections will expand awareness and appreciation of the intimate link between Providence and Compassion in the lives of not only the author but also within the life of the reader.

Compassion has been personified in Jesus and his ministries, and is central to the charism of Providence women wherever they minister.

You will see how Providence and Compassion are expressed in diverse ministries. You also can discover similarities with your own living and ministry experiences as well as gain new insights from each author. Questions for personal and communal reflection are included with each essay.

This collection on providence theology and spirituality is a good resource to use with people in formation, in local houses, our providence retreat centers, bookstores in our sponsored colleges and universities, mission departments in our healthcare facilities, and for personal growth and reflection.
